ZURICH INSURANCE -- SPECIALTIES SUBMISSION APPLICATION

Security & Privacy | Cyber Liability | Date: 12 June 2026

5. POLICIES & COMPLIANCE

[YES] Cyber Insurance (prior coverage)	<i>Covered by AXA XL 2025 policy -- \$3M limit, no claims</i>
[YES] Privacy Policy (published)	<i>GDPR and CCPA compliant -- last updated January 2026</i>
[NO] Business Continuity Plan (BCP)	<i>Partial BCP in place -- full plan under development</i>
[YES] Incident Response Plan (IRP)	<i>Formal IRP in place -- reviewed annually</i>
[YES] Risk Management Framework	<i>NIST CSF adopted -- annual risk assessment completed</i>

6. PRIOR CLAIMS HISTORY (Last 5 Years)

No cyber or security & privacy claims in the last 5 years.
One minor data incident in 2023 (accidental email exposure, no PII affected, no regulatory action, self-reported to legal counsel only).

7. ADDITIONAL RISK INFORMATION

Meridian Tech Solutions provides B2B SaaS platforms for healthcare billing and financial services workflow automation. The company processes PHI under HIPAA Business Associate Agreements with 14 healthcare clients.

Revenue growth of 18% YoY is driven by 3 new enterprise contracts signed in Q1 2026. Headcount expected to grow from 280 to 340 by end of 2026.

The company is actively investing in security posture: EDR deployment planned for Q3 2026, SOC 2 Type II certification in progress (target: Q4 2026).

8. DECLARATION

I declare that the information provided in this application is true and complete to the best of my knowledge. I understand that any material misrepresentation may void coverage.

Signed: Sarah Mitchell, CFO
